## SST ANNOUNCEMENTS & NEWS

The School of Science and Technology-Alamo is excited to announce its 2nd annual, Science fair. Our goal is to ensure that all students have an enriching, innovate, fun-learning experience here at SST-Alamo. Every year we will organize and conduct a School Science fair. At SST-Alamo, our mission is to uphold high expectations and enrich our students' minds in Science, Math, and Technology. Therefore, each student is required to complete a research project in Science, while incorporating Math, Technology, Research, and Writing. At SST-Alamo we strive for excellence and we want all our students to excel in their academics; moreover, Failure to compete in our School Science fair will result in failing Science and possibly other courses.

Due to the importance of our Science Fair, we are going to hold an informative science fair meeting for our parents on 4th & 5th Grade: September 21, Tuesday 5:00-6:15PM; 6th Grade: September 22, Wednesday 5:00-6:15PM; and 7th & 8th Grade: September 23, Thursday 5:00-6:15PM.

### MESSAGE FROM OUR DEAN OF DISCIPLINE

Parents,

Thank you for your continued support of our uniform policy. SST-Alamo takes pride in strict adherence to the policy to reduce any distractions from your child's educational needs. We are checking uniforms daily and if your child is out of uniform, you will be contacted. Discipline points may be assessed at the discretion of the teachers, staff, and administration. Frequent uniform infractions we have noticed are: missing belts, shirts not tucked in, and forgotten ID cards. Please try to help your child successfully meet our uniform requirement.

Student conduct contracts must be received from each student enrolled at SST-Alamo. This contract is found on the last page of the student handbook. The handbooks were available at orientation, in the office, or available to download from our school website. This contract must be signed by the parent and student; and returned to the office, homeroom teacher, or Ms. Alexander. Any student missing their contract after Tuesday September 7, 2010 will be assessed discipline points.

*Ms. Talitha Alexander*

Dean of Discipline

### STUDENT IDENTIFICATION CARDS

Student ID cards were issued this week. It is a required part of the student's uniform to have their ID card. Discipline points will be assessed for missing ID's. Lost cards can be replaced at the front office. There is a fee of \$5.00. Please do not send your child with cash; we do not accept cash as a form of payment.

### PTO

WELCOME PTO Members,

Please check Wednesday folder future meeting dates and times.

If you have any questions, please email Mindy Iniekpo @ [mindy@femagroup.com](mailto:mindy@femagroup.com)

## SAN ANTONIO PUBLIC LIBRARY

**Be One in a Million!**

The San Antonio Public Library is extending its invitation to any resident of Bexar County to enjoy a San Antonio Public Library card, free of charge. Students will have traditional access to books, magazines, and newspapers; as well as online access, downloadable books, films, and music. A library card could be vital to your child's success in education.

## DISMISSAL

Please continue to be patient with our dismissal procedures. We have more students than last year, therefore more vehicles in our lines. Arriving early does not alleviate the traffic; it only creates longer waiting times for parents. Students will be dismissed at 3:10p.m. and it is acceptable to arrive at this time. The line will begin to move and vehicles will not be sitting idle for long periods. If you choose to park, please do so in the designated parking areas or safely along the street. (DO NOT BLOCK TRAFFIC) You may then walk to the dismissal area with your dismissal number to pick up your child. There is no student pick up in the front office, although you are welcome to come in with questions, payments, or office business.

## PICTURE DAY

Picture day was a smooth success. Proofs will be available in a few weeks. Sam's Studio has offered to set a date for re-takes after proofs are reviewed. If your student missed taking their portrait, they will be able to take it on this day.

## HOME LANGUAGE SURVEYS

### IMPORTANT FOR NEW STUDENTS AT SST ALAMO

Texas Education Agency requires all public and charter schools to obtain all students original Home Language Surveys. SST-Alamo needs your child's original Home Language Survey from the previous school/district in which your child attended. Please request the document faxed or mailed: Fax: (210)657-6401 ATTN: Ms.Urban or 12200 Crown point Drive, Suite 200 San Antonio, TX 78233.

In some cases, a Home Language Survey may not be available. Instances include: your child was not surveyed in Texas in the past because this is their first year in Texas public/charter school system, or your child is in Kindergarten and did not attend Pre-Kindergarten. Your prompt attention is appreciated. Thank you.

*Ms.Nicole Urban*

## LUNCH PAYMENTS

Payments for lunch can be made in the front office. You may send payment with your child to drop off for you. Every meal your child eats will be deducted from their meal account. You may view your balance online, but unfortunately are unable to make payments. Balance notifications will go home with the Wednesday folder. We accept check, money order, or Visa, M/C, & Discover.

## FROM THE OFFICE

Parents,

Please be sure that your contact information is current. You may stop by the office to complete and update form. You may also email any changes to [tmacias@ssttx.org](mailto:tmacias@ssttx.org). Any changes in medical status or use of medications should also be reported immediately. Any prescription medications require an Authorization to Dispense form signed by the parent and child's physician in order to be dispensed at school. You will be notified if your child is missing any documents, immunizations, or other necessary items to complete their academic file. Your cooperation is always appreciated.
