

Dear Parents/Guardians and Students:

We are very pleased to announce that we will be using a new innovative information system starting this school year, 2017-2018.

The second system, SchoolCafé, will connect families to the school’s meal program. Parents can apply for free and reduced meal benefits and manage their student’s meal account in SchoolCafé.

SchoolCafe:

To learn more about SchoolCafé, please visit their website: www.schoolcafe.com. To register for an account, please use this link: <https://www.schoolcafe.com/register>. There is a short video to assist with the lunch application process, School Café Eligibility Walkthrough for Parents, which is also available on your school campus’ website.

You will be asked to select your student’s school district. Below is a chart for SST schools.
